- (a) A season ticket holder does not pay if they are using their 5 hours per week allocation.
- (b) If members play along with a season ticket holder then they need to pay their split share of either £10 or £15 per hour
- (c) A member can sign on a visitor for £5 – it is a flat £5 no matter how many hours they play. In calculating the total cost the visitor or visitors do not count in calculating the number of people. So , for example, if a member signs on three visitors for 1 hour the cost is £10 for the hour plus three visitor sign –ons each at £5 = total of £25.
- (d) All people who use the Indoor Studio should pay in advance – either at the PRO Shop or at the Bar.
