# League Rules

- You must be at your assigned tee box and ready to tee off right at 5:30pm. If you are late the other players are to tee off and you can join on the next hole. You will be allowed to play the hole you missed at the end.
- Play from the yellow tees
- You may roll your ball to a better lie in your own fairway. (Fairway Only)
- Will play stroke penalty NOT stroke and distance for lost balls (For speed of play)
  - Balls lost in wooded areas must be played from wooded areas closest to point ball was lost
- Format: This is a socially competitive league. There will be a total of **3 points** available for each week.
  - The **first point** will be awarded for participating in a given week.
  - The **second point** will be awarded if you beat your handicap. Example; if your 9-hole handicap is 15 that will be added to par (35), so if you shoot 50 or lower you will be awarded a second point.
  - The **third point** will be awarded for shooting a lower net score than 50% of the field.
- The golfer with the most points at the end of the year will be deemed the league champion.
- The stroke limit is double par. Example--On a par 4, the stroke limit is 8.
- 9 holes of golf should take no longer than 2 hours and 15 minutes
  - Points can be deducted for slow play by the league administrator
- The ball must be on the green to qualify for closest to the pin
- The ball must be on the fairway to qualify for long drive
- Your handicap is kept on the GHIN network. You must have 5 18 hole rounds entered into the program to have an official handicap.
- Marking your ball: When on the green, mark your ball, with a coin or a ball marker, behind the ball; then you may pick up your ball.
- Playing Ready Golf: whoever is ready to hit their ball, can hit, even if it is out of turn. There is no penalty for playing out of turn during stroke play (where you count the amount of strokes per hole). It would save a great deal of time if each person is preparing to hit while someone is hitting, instead of waiting. Some things to keep in mind for pace of play: always be moving toward your ball, count off the steps for your yardage so you know what club to hit when you arrive to your ball, watch your ball until it stops.
