All charges incurred by me or my guests will be automatically charged to my credit card on file by the 10<sup>th</sup> day of every month. The use of an invalid card resulting in a late payment will result in a late fee equal to 10% of the total past due amount (per month) for any month my account is not paid on time or in full. If my account balance becomes delinquent, my playing privileges and charging privileges shall be suspended until my account balance is brought back to current. In the event my account becomes over 60 days past due, the Club reserves the right to terminate my membership and pursue collection of the unpaid balance through customary collection channels. I hereby agree to reimburse the club in full for all legal fees and collection agency charges associated with the collection of my account.

Contract members may resign prior to the contract end-date by paying the \$500 joining fee. In the case of the Callaway Steelhead Two-Year Membership Promotion, contract members resigning early are required to pay both the \$500 joining fee and the \$949 retail price of the clubs.

**BY-LAWS**

Specific to this cart-included membership, Within a particular group, members shall utilize the minimum number of fleet-carts required in order to accommodate the members or paid guest in that group. A cart fee of \$25 shall be charged to the account of any member riding solo in a cart while there is an empty seat in another fleet-cart in the same group. Non golfing guests may occupy an unused cart-seat (free of charge) unless this forces an additional cart to be placed into service in order to accommodate additional paid players.

All members are required to check-in prior to playing and sign a cart waiver prior to the beginning of each round, including replays. In the case of golf cart shortages, the club reserves the right to distribute carts in whatever order deemed appropriate by the staff.
