# About Us

The ISU Women's Golf Association began in 1966 and has provided women of Bloomington-Normal and the surrounding area an opportunity to connect with fellow golfers, have fun, and improve their games.

Our members return each spring looking forward to a summer filled with dreams of lower handicaps, outdoor exercise, stories to share, involvement in league events, and lasting friendships with our great group of women.

The ISU Women's Golf Association is open to the public and new members are always welcome.
