

2018 Season Pass Registration

Golf Policy

Season: The 'Golf Season' is defined as April 1 through October 31. Should the golf course present itself as playable during the winter months, carts may or may not be available. Any golf played November 1 through March 31 will be priced at \$10/round.

Price: \$1,500

Benefits: The Season Pass entitles the holder to unlimited golf with a riding cart at Shepherd's Crook and unlimited golf at Shiloh Park (cart fees are not included at Shiloh Park). There is no restriction on time of day or day of week provided the course is open for play and there are no conflicts with previously booked tee times or golf events.

Course Access:

- Passholders must check-in and present their pass each time they play
- All play is to begin from the 1st Tee unless otherwise directed by Golf Staff
- Season Pass holders may be paired with other players based on tee time demand
- Tee times will not be reserved for single players
- **Season Passes do not cover fees associated with golf outings or league play**
- Season Pass holders may experience tee time restrictions as a result previous commitments to league play, golf outings, weather related issues or golf maintenance cultural practices
- Season Passholders are subject to the rules and regulations established by the Zion Park District. Conduct in conflict with stated policy or commonly accepted golf etiquette may result in the suspension or loss of playing privileges
- Any and all refunds require Zion Park District Board approval
