The Mattawang Golf Club will be offering a variety of Golf Schools and camps for the 2018 season. The Mattawang Golf Club's Professional Staff led by Mahlon Dow will teach all group instruction.

Mahlon's Philosophy

I have had the privilege to play this wonderful game since I was very young. The game has brought many positive experiences and long-lasting relationships into my life that I would never have imagined otherwise. My goals through this program are to nurture a love and respect for this great game through instruction and by also recognizing the History and Rules, as well as exposing how to really have fun playing golf. My hope is that each individual will leave this program a better golfer and a better person. I have taken great measures to assemble a staff that shares these hopes and goals.

Mahlon was the teacher of 8 NJ State Champions and chosen by USKids Golf for 2010-2013 as one of their Top 50 Kids Teachers in the United States. Golf INC. Magazines "Most Admired Course Operators" and 2013 & 2014 Best Public Golf Professional by Golf Styles Magazine.

1. Junior Golf Camp- (Ages 7 and up)

4 hours each day of Professional Instruction covering all fundamentals including: iron play, woods, short game, putting, rules and etiquette. Limited on-course instruction, games, lunch and gifts are also included.
