

Hilly Haven's 1st Annual Golf Simulator Tournament Rules

Event Format - 2 Person Scramble

Each person will hit a tee shot. The simulator will give you an option to pick which shot was better, highlight it, then hit "OK." You'll then both play from the selected shot until the ball is holed out.

Tee Boxes

Men will play from the BLUE Tees and Women will play from the WHITE Tees.

Lie

In the top right corner of the simulator screen, you will see your lie listed as one of the following:

Blue Tee - Allowed to use a tee

White Tee - Allowed to use a tee

Fairway - Hit from anywhere in the short turf

Rough - Hit from the longer dark green pad of turf

Sand - Hit from the longer white pad of turf

Green - Putt from near the Black Dot located 1 foot in front of the hitting surface

Putting

There is a 3 foot "Gimme Distance." You'll continue to putt until the putt is made, or within 3 feet the simulator will add one stroke to your score and hole out.

Unplayable Ball

In the event of an unplayable ball, the simulator will list 5 different options before you can resume play. The options that will be used for this tournament are "DROP" or "REHIT." **If the options "Free Drop," "Safe Drop," or "Mulligan" are utilized, which will show up on your scorecard, a 2 Stroke Penalty will be applied to your score for each instance.**

Ties

Ties will be decided by whichever team had a better score on the hardest handicapped hole. If there is a tie on that hole it will be decided by the 2nd hardest followed by the 3rd hardest, 4th hardest, etc...

The order of the hardest holes is as follows: Hole 4, Hole 9, Hole 1, 3, 8, 6, 7, 5, 2.

Shots not registering

In the event that the simulator does not register a shot, players will be able to replay the shot with no penalty. Shots not registering is rare, but happens most often when the ball hits the ceiling instead of the simulator screen.

Technical Difficulties

In the event of a technical difficulty requiring the simulator to be rebooted, play will resume from the start of the hole where the reboot was required. The previous strokes on that hole, if any, will be replayed.

Skins

There will be an optional skins game available for \$10 per team.
