

Academy Membership Package

The Adult Academy Membership is aimed at those individuals who have little or no knowledge/experience of golf but would like to be given the opportunity to improve to a sufficient level of ability and confidence to allow them free access to the golf course.

Adults can join the academy for a six month period any time between 1st March – 30th June. Following the six month period of Academy Membership you can upgrade to full membership at a discounted rate.

The membership will include:-

- 4 individual lessons with the Professional (40 minutes), one of which will be a playing lesson which will briefly cover etiquette and some rules.
- Opportunity to attend free of charge open clinics run by the Professional team- these will cover all the basics – putting, chipping, bunker shots and the long game.
- 4 group/individual practice sessions with at least one member of the club which may be either on the practice ground or a few holes on the golf course
- Full use of the practice area
- Free use of practice balls
- Free use of some golf clubs during practice sessions
- Full use of the Club House plus a discount card
- Play on the golf course with a member at quiet times as deemed by the Professional team
-

The aim of the Academy Membership is to:-

- Provide individuals with a level of on-course competency
- Improve their game so that they may progress on to full membership.

The Academy Membership does not entitle the player to play in any competitions, apart from those run for Academy Members or play on the course without being accompanied by a full member.

Cost £300.00 plus an additional £25 to go on membership discount card
