Rowley Society: President's Outing & 60th Anniversary

The Rowley Society, the oldest one in Carnalea, celebrated their 60th anniversary in style by playing the K Club Ryder Cup Course and Mount Wolseley Golf & Spa Resort over the weekend of the 15th September. Both courses proved extremely challenging and many thanks to Glenn Lindsay for all his hard work in arranging the trip. Congratulations to the 2 Major Winners pictured below, Kirk McGregor who captured the Shield and Terry Harryman who took the Wooden Spoon.

Saturday Time Sheet Autumn/Winter 2018

Now that the final trophy of the season has been completed and as we enter the autumn/winter period, the Saturday Time Sheet will continue to run as usual. As the amount of daylight diminishes, members are once again advised that their normal starting time will be adjusted to take account of later sunrise times. For any member who didn't have a starting time this year and would like to play, there are usually plenty of tee times available as a number of members do not compete at this time of year and it is usually possible to secure one. The 'No Show' Reports will be generated from Saturday 29th September. If you are unable to play, please remove your name from the time sheet no later than 5.00 pm on the Friday preceding the competition to enable other members to compete.
