

The Smart Golf Academy has created a Summer League for junior golfers with tournament experience between the ages of 11 and 17. We invite your junior to join us this summer!

The idea is to gather skilled players and provide them a place to practice and compete on a daily basis. In order to improve their games, dedication and hard work will need to be paramount for them. If they want to become a great player, practice and play on a daily basis is the only way to get there. If they are serious about their golf games, then this is the place for them!

Each junior will have the opportunity to play and practice as often as their schedule will allow during the weekdays.

Tee times will begin at 12:30pm Monday - Friday. Each junior can play as many holes as they'd like depending on their preference each day. Tournaments will take place on every Friday date.
