

# PLAYING CARD BINGO & DINNER

**WEDNESDAY, FEBRUARY 28, 2018**

Gather 3 of your friends and join us for a fun evening.

There will be four (4) players to a table. Each table will have their own deck of cards. At the start of the game, each player at the table ante's \$.25 in the cup. One person deals out all the cards so that each player has 13 cards. The player then arranges their 13 cards face up on the table. The caller will use a separate deck of cards and begin calling the cards. If the caller calls one of the cards you have face up, throw into the middle of the table. The first person who throws in their 13 cards wins and will collect the ante's from all of the tables. The last game will be a jackpot game and everyone will ante a \$1.00.
