June, 2018

Craig Misch – Pro

Rain, rain, go away... We had a very good month considering all the rain we have had the last 3 weeks. It was very unfortunate that I had to cancel the Memorial Day tournament, but it's better to be on the safe side when it comes to tropical storms. Let's hope that this will be the only tropical event we see this summer.

The golf course is entering full transition mode and it will take some time for the Bermuda grass to grow back in. Please be patient as Terry and his guys get the course back to what it needs to be. If you notice that there are cart tracks in some of the fairways, it is from heat...the rye grass is burning off due to summertime heat and the Bermuda grass is not yet established, therefore the carts will leave marks in the fairways until the Bermuda grass establishes. It is not from fertilizer, it is from heat stress.

The MWGA will be holding the first annual shootout Sunday June 17th at 1pm. There will be a lot of carts out that afternoon on the front nine so don't be alarmed if you see

10 or 15 carts roaming around each hole on the front nine that afternoon.

MMGA – Mike Russomano

We will be aerifying the greens again on the 18th of June as well as putting out our control for mole crickets and ants the same day. We will also be putting out our second application for goose grass control. This product will control any new plants from germinating from the soil. It will not control existing plants. We will have to treat them post emergently.

We will also be verticutting and top dressing the greens to help get rid of the winter grass. We will be starting to fix some of the areas at the start and end of cart paths. Please remember to “NOT” drive over or around the ropes that are on the golf course.

PLAYING CARD BINGO – Diane Christie

We had twelve tables at Playing Card Bingo on May 30th. The Queen for the evening was Susan Fitzgerald and the King for the evening was Joe Blasko (first time player). Hope to see everyone on June 27th for Taco's.

We have had some exciting new friends on the course over the last few weeks.
