

# About Us...

Our 18-hole, par 72 course opened for play in August of 1993. The 330 acre, John Cook–Hurdzan/Frey design measures over 7,200 yards from the championship tees, making it one of the longest in Ohio, but five sets of tees on every hole make it enjoyable and challenging for all skill levels. The course features creative bunkering, numerous lakes, extensive wetlands, various wildlife and the Scioto River as its western border.

The 16,000 square foot clubhouse includes Golf Shop, Grill Room, Private Members Room, Banquet Facility, full deck & dance floor.

Our Creekside Café awaits you at the turn! The professional event staff is prepared to handle your event on and off the golf course.

*The Private Club facility at the Daily Fee price*
