

Meet the Pro

The Director of Golf, Cathy Cook, along with her brother PGA Tour Professional, John Cook, have grown up in the golf world.

She is an accomplished professional with years of experience in competitive golf which has taken her literally around the world over the past 35 years.

Cathy has been instructed by some of the greatest teachers in the business and has come to realize the value is in the "playing" of golf.

Cathy credits her family with her successes and believes the game of golf can be learned and enjoyed by every member of the family unit. It is her passion to pass on what she has experienced so families truly can spend quality time together on the golf course.

The programs offered at Cooks Creek Golf Club present a vast collection of opportunities for young learners and women to discover the abilities within themselves through playing the game of golf.

John Cook Golf Academies offer classes with golf as the foundation, self awareness as the process and positive character development as the intended outcome to empower each individual and the entire family, as a whole, become the best they can be.

"This is my passion and my privilege - to expose all those who are hooked on golf or want to be hooked on golf - to have lots of ways to do just that"

And have a whole lotta fun in the process!!!"

- Cathy Cook
