### Making Ties with the Community

It is important Ahwatukee Country Club to foster and strengthen our ties within the community so we have joined with Mountain Pointe High School to work with high school students in a work bridge program. The students come in to work for about an hour each week. They have worked and helped in the restaurant with numerous tasks such as rolling silverware,

getting ice, washing dishes, vacuuming and even helping us set up for a fashion show and wedding! They have worked outside picking balls and washing off carts! These students do a great job and are a joy for us to have! If you are around on a Thursday afternoon keep an eye out for these hard working students and feel free to say hi!

### Ladies Pamper Event

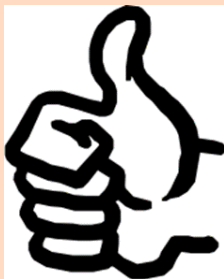

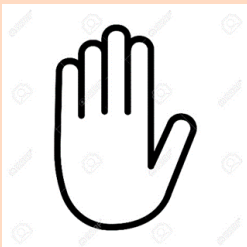

Tickets are now on sale in the restaurant! Stop by and pick up a brochure outlining all the vendors and their specials. Many vendors will have a free raffle basket at their booths giving away AMAZING goodies. Even Ahwatukee Country Club will be hosting a raffle basket to help raise funds for the Mountain Pointe Golf teams. Tickets can be purchased for this

basket at a rate of 3 tickets for \$5. Purchase tickets at the event to help us support our local golf team! Our Ladies Pamper Event will be held from 2:00-5:00 on Sunday November 4th. It is sure to be an afternoon filled with relaxation and great shopping opportunities. Pamper yourself or get a head start on holiday shopping. Your admission ticket will include

light appetizers and two drink tickets that are good for soda, wine, beer and cocktails. Tickets will be available at the door the day of the event but will be an additional \$5, so be sure to get your tickets ahead of time! We are looking forward to seeing all you ladies get pampered!

### Quick Note From Our Beverage Cart Staff

Our staff strives to give you excellent service on the course and they love to serve you all! Communication can be challenging between the players on the course and the beverage cart attendant. We have two hand signals to make signaling the beverage cart

easier. If you would like the beverage cart to stop for you simply use the "stop" hand signal and the beverage cart attendant will know to stop and wait for you. If you would not like anything from the beverage cart, use the thumbs up hand sign to signal that you

are good and do not need them to stop. We believe these hand signals will help provide better overall customer satisfaction. Thank you for your participation!

## From The Shop

The nice weather is finally upon us and Ahwatukee Country Club is almost ready to go for the season. Our staff is looking forward to welcoming all its returning golfers and thanking those that remained and supported us through the hot summer season! We will be closed for overseed from October 22-November 4<sup>th</sup>, getting the course in shape for

the busy season ahead. Due to the better growing season and moisture over the last several months, this will help the course as we move forward. New inventory is now starting to arrive and our pro shop will be stocked again with your favorite lines! Callaway, Greg Norman and Cutter Buck will be available, along with New Balance golf shoes and Foot Joy!

As always, we thank you for your continued patronage and support of our club. Our staff is all ready to make this a great golf and social season for you and your guests! My door is always open for any discussions/feedback you may have!!
