

With the new Course Reconfiguration several holes will disappear, some will be altered and a few new holes will be created.

THIS IS YOUR OPPORTUNITY TO NAME THE NEW HOLES

It would be simple to rename all of the holes but the club would be losing some of its history & tradition.

Some of the old hole names we have lost over the years or may lose through the reconfiguration include,
VALE- the 1908 name for the Valley

HADES – used to be the hole that teed off behind the new 17th green & this holes' green was where the Heathlands Car Park is on Heathlands Drive.. The definition of Hades is Vertical Drop

THE CREST- The name of the 12th which we have suggested may need re naming.

TAKE A SIP- This hole disappears with the new course.

STONEHENGE- This hole disappears with the new course.

PUFF PUFF – This hole disappeared in the late 50's. It ran from the bottom field over what is now Heathlands Care Home and the green was where the new 18th fairway lies.

LOVERS LANE- This was a hole in the vicinity of the box. The lane was in fact Role Row which is now the path which runs between the bottom fields and there was a row of cottages there until the late 50's.

Three of the hole names have links with the Lancashire Fusiliers : Hole 13 (Starfish) referred to the STARFISH TRENCHES of the Somme Hole 14 -Spion Kop was a battle in the Boer War, and Piedmont (a hole we will lose referred to a barracks of the Lancs. fusiliers given to a battalion of the Italian army from Piedmont area

New Hole	Prev. Hole	Current Name	Comments	New Name	Reason

9	3	The Brook	<i>This is a shortened version of the old hole – now a par 3 The name was given over 60 years ago when the fairway sloped steeply towards the brook. Another reason maybe if hole 8 finishes up with the word brook in the name it could be confusing.</i>	Retain the name:- THE BROOK or enter your suggestion.
