

Loggers Trail Senior Flex League

When: Tuesday and Thursday mornings each week during the golf season.

Loggers Trail will once again host a 55+ Senior Leagues during the 2018 golf season. The Flex means you can play in either league or both, as often as you want. There will be daily prizes in each league and a season long competition for great year end prizes. The format of the leagues will generally follow the format used by the MGA Senior Tour which uses modified stableford scoring. We will also mix in some other fun simple games as the season goes on.

Costs: Special Senior League Greens Fees **\$29**

Cart fee: **\$12** per player (players may walk or ride)

League Registration: **\$50** (this covers your GHIN Handicap and End of Season banquet)

An MGA Handicap is required for League play.

Daily Event Fee: **\$3**

Prizes: Pro Shop prizes will be awarded for daily winners. Season long prizes will be awarded at the end of the year event. The season long prizes will be awarded separately for Tues and Thur league play.

After the Tues and Thurs winners select their prizes at the year end banquet, all other prizes will be awarded by a drawing of eligible players. To be eligible to be entered into the drawing a league member would have had to play a minimum of 10 times (combined Tues and Thur rounds).

Tee Times: Golfers must play before 11:00am on Tuesday & Thursday. We will have a starter get the first group out at 9:00am and will shotgun start the groups if the numbers allow. For those individuals we will have a starter who will get you into a group of guys you'll have fun with.

You are encouraged to play from whichever tee box you prefer.

We are looking forward to another fun year for the Senior Flex Leagues!
