From the desk of the GM

I am very excited and proud to introduce our new Superintendent, Jonathan Price. Jonathan is from Lindale, Georgia with experience in golf course maintenance at Horseleg Creek Country Club, as well as H&H Lawn Care as the chemical spray expert. We are excited to bring Jonathan aboard, and believe he will be a major asset to our team. Please help me welcome him by providing encouraging words as he and his crew continue to work hard to improve our course in every way!

Our courses improvement at Meadow Lakes is, and will continue to be an ongoing process. We have recently purchased another rough mower and lowered the cut. This will enable us to catch up and stay caught up on the rapidly growing rough that we have been fighting. Due to the continuous rain in May and June, our greens have unfortunately developed a fungus. We wanted to let each of you know that we are aware of all of these issues and are working as diligently as possible to resolve them. Please be patient with us in this process, and help everyone keep positive spirits by reflecting on all of the great things that we have accomplished so far!

Womens

Golf Association

Meadow Lakes continues to be represented proudly at area courses by our ladies league. Several ladies competed in both the Cherokee County Country Club, and Barnsley Gardens North Georgia play dates in July. Three of our ladies placed in their flight at Cherokee County Country Club! Diane Weston took 2nd place in the 3rd flight; Jessie Hall took 3rd in the 3rd flight and Sheri Sinnock snagged 3rd in the 2nd flight! At Barnsley Gardens, Diane Weston took 1st in the 5th flight! We are so proud of our Meadow Lakes Ladies Golf Association.
