

# THE MEADOWS

## Volume 12

### From the desk of the GM

I hope each and every member and your families had a wonderful Thanksgiving holiday this past month. I know I certainly have a lot to be thankful for, including this course and all of its members. My staff and I are all thankful for you and your continued support and all of the fun times that you choose to share with us at Meadow Lakes. Now we are all gearing up for the winter months! Stop by our pro shop to find the perfect Christmas gifts for anyone in the family! We just received a new line of FootJoy apparel that any avid golfer would love to have hanging in their closet! Don't know what size to buy? No problem! We also have gift certificates at our front desk that can be redeemed towards pro shop apparel, greens fees, cart fees, rounds of golf, as well as food and beverage! There is no better gift than the gift of golf! Please contact our Pro shop at 770-748-4942 for more information!

**Don't forget**, on Dec. 16th we will be celebrating our Christmas party! Complimentary turkey and dressing will served for anyone attending at 6:30. Following dinner at 8PM the band My Ninja will be coming to rock around the Christmas tree with us! We will be selling \$1.50 drafts as well as bar food for the remainder of the night after dinner. Throw on your favorite holiday attire, bring your friends, and come celebrate with us!

-Allen Pinson

### A word from the Superintendent

Winter has arrived! In the early part of November we experienced our first few frosts, with many more to be expected before spring. With that being said, I have constructed a plan for some projects that Meadow Lakes will be taking on to ensure that our course is exactly where it needs to be by the spring time. My crew and I will be reconstructing /redesigning our tee boxes and sand bunkers, taking out a few trees to open up your view of the course, trouble shooting our irrigation system, over-hauling our equipment, all while keeping our course clean, and continuing the process to perfect our greens. All of the staff here at Meadow Lakes value our Members and wish to do everything in our power to continue development to make this course truly feel like **your course**. You can help aid us in this process by giving a friendly reminder each time you play to please continue repairing divots. We have special tools at our club house for this if anyone is in need of one! Repairing divots seem like such a small task, but it is a huge step in in the right direction for keeping our course looking beautiful! Thank you all for your continued support, and I hope you have blessed and wonderful Holidays!
