

# The Meadows

Volume 7

FROM THE DESK OF THE

*GOM*

Meadow Lakes pool has now been converted to a salt system, and the response has been very favorable! This seems to be a great kick off to summer.

We ask that everyone please come to the Pro Shop to get Member/Guest arm bands to wear while at the pool. Thank you in advance.

We are so proud of our lunch and dinner crowd here at Meadow Lakes. If you still haven't tried our Dinner menu, please come out and see us Thursday-Saturday between 5-8pm for the best food in town!

I would also like to remind everyone that we have an amazing banquet area available to rent. This area includes The porch as well which is great for family/company parties Reunions, baby showers, and even a wedding! We would love to help you plan and host these memorable moments in life!

Meadow Lakes Men's Golf Association will meet for the first time On July 13th at 7pm here in the Clubhouse. We encourage all who wish to be a part of this to please be in attendance this night!

## A word from the *Superintendent*

Going into summer we usually experience humid weather which creates problems for our greens, but with the amount of rain and cooler weather we have been very fortunate. The bad news is that the amount of rain we've experienced has the grass growing rapidly. We have our team cutting it as fast as we can.

A couple of the storms have created some tree problems that we are addressing as well. I have been encouraged by the comments made about the condition of our course and I can assure you that they are appreciated! Our maintenance staff is working hard to change the look of our course along with how the course will play. I want to assure everyone that the plans to repair all bunkers are in the works. Correct Bunker repair is not a quick fix. This will take time and effort. The cart path on hole #4 has is now concrete. This makes a smooth ride to the second and third shot, as well as the green. Again, we thank you for your patience while updating all of our course.

## Women's Golf Association

Four members of our Meadow Lakes Ladies league recently competed in the Gadsden Country Club two-lady scramble. The team pictured (L-R) Shirley Howard and Juanita Tarpley won 2nd in the first flight. Jessie Hall and Sheri Sinnock took 3rd place, first flight. The ladies league welcomes new players! anyone interested in joining can contact Carol Pilgrim at (770) 324-5142 or Sheri Sinnock at (779) 490-7015.
