

From the desk of the GM

Please remember the Family of Othella Lester in her passing on April 19th. She was a founding member of the first Meadow Lakes Ladies Golf League and was active in the organization until she became too ill to participate.

Othella posted a hole-in-one on #3 when she was 78 years old.

She was a dedicated, hard-working employee of Meadow Lakes for many years, and will be missed by all.

The Men's Golf Association is being established and we thank all who have attended the start up meetings. There have been many great ideas passed around in these meetings, which should make for a fun year of golf for all who participate in the MLMGA. The entry into the MLMGA is a purchase of your handicap for \$28.00. For any additional information on this, we would be happy to assist you by phone or here at the golf club.

As all of you can see, the golf course improvements are incredible and we thank Kent Popham for all that he has done to make these changes happen.

I would like to say a big thank you to all of our members for their continued support in following our course rules. Especially for striving to stay on the cart path when the course is too wet. I can assure you that we would love to have 90 degree cart path rule everyday but the April rains have not allowed us to do so.

Also a special thank you to all who have welcomed me back to Meadow Lakes. I am having a great time helping make Meadow Lakes become great again! LET'S PLAY GOLF!

-Allen Pinson

A word from the Superintendent

I would like to personally thank all of our Members for your continued patience in the remodel of our course! We are beginning to see the fruits of our labor, and are pleased with the direction Meadow Lakes is heading. We are progressively getting where we want to be, but this will be a continued process to make this course the Meadow Lakes we desire to see.

As a reminder, we will be aerating our greens on May 8th. (Don't lick your balls!) Lots of work on the course will surround this, including wilt watch on the greens. Your continued patience will be greatly appreciated during this time.

We thank you for your support, and are looking forward to how often we will be seeing you for all of our upcoming events this spring and summer!

Upcoming Events
