

The Meadows

May 1, 2018

Volume 17

From the Desk of the GM

Spring is finally here (we think)! We are kicking off May with wishful thinking that all this rain is behind us! Our course is really beginning to shape up and our greens have healed nicely from our course aerification. This has left everyone ready to play golf! As always, we are continually making changes and improvements to our course. In May we plan to begin several projects which include beginning work on unfinished bunkers, and repairing leaks in our irrigation. With each new projects completion, we are one step closer to Meadow Lakes being the course that we know that it can be. A big thank you goes out to all of our members and golfers for your continued support and patience with each new project. We hope that you are enjoying them!

If you haven't checked out our new and improved menu/restaurant, please come out and see us! The Bad Birdie Beer Bar & Grill has really been a hit so far! If you're looking for some weeknight fun, come see us on a Thursday night! We host corn hole tournaments every Thursday and will have the full menu of appetizers, entrées, and beer available. If you're looking for lunch options, come check out our soup and salad bar! You won't be disappointed. Come check us out, and let the Bad Birdie become your quick and convenient lunch or dinner option for you and your family! Your business is greatly appreciated.
