

The Meadows

Volume 11

From the Desk of the GM

Words cannot explain the excitement and enjoyment of seeing our parking lot full of cars and the golf course full of golfers! For those of you who played in our Grand Re-opening event, please come back and play on the greens! As I explained at the reopening, it will take about a month to get the greens to the height we want so they are rolling at the speed we are accustomed to. Now we are almost there! Come check it out!

I would like to take this opportunity to recognize Jonathan Price and his staff. The golf course is in great condition. These men have worked so hard these last two months. Jonathan had a plan to get our course ready and is already working on a spring plan to ensure everything will be in tip top condition. If you encounter one of our maintenance employees, please take the time to thank them for a job well done. I also want to thank Chico and his crew for all the bunker renovation. All of the bunkers we have left to fix and repair have become our project for this winter.

We will begin a membership drive January through April of 2018. If a current member brings in and signs for a member, you will receive one month free dues for each member you sponsor. We are also working on our website. Our goal is to make it more user friendly with continual updates of current events at our club. We look forward to a great next two months and a great 2018 of golf and fellowship at Meadow Lakes.

Women's Golf Association

A *Ghoulish* tournament took place at Meadow Lakes recently when the ML Ladies league hosted its annual Halloween scramble. Twenty-six teams from north Georgia and Alabama participated. Costumes were optional but witches, foxes, "Eye" phones, bumble bees, All American ladies and a pair of dice showed up to play! From the Meadow Lakes league, the team of Ann Peery and Leslie Ticker won First in the first flight, as well as Shirley Howard and Kim Duarte who won first in the second flight! Great job ladies!
