NEWS LETTER

Let's talk about it- COURSE NEWS

Meadow Lakes Family, we were so excited last month for the weather to cool off some, and man did Mother Nature deliver! It has been so cold in fact that Frost Season has showed up a bit early! We do not want to inconvenience anyone, but due to the frost some of our tee times may require being backed up until the frost lifts. We hope not, but please bear with us through this process if the frost continues!

As you read in our last newsletter, we are super pumped about our new Golf Academy! We encourage golfers of all skill levels to come test it out and participate in our Academy. Our individual lessons are constructed based on how people, at different levels of ability, learn. Not all lessons are the same, and not all of them result in using the same technological devices. A mixture of providing just enough information, and implementing the right number of changes make up the overall delivery of individual lessons. For more information on our Academy Instructors, Pricing, and Academy Events, please visit our web address located at the bottom of this newsletter or call our Pro Shop!

Be sure to check out the *Stay In The Know* section and our social media for all upcoming events! You won't want to miss them! Meadow Lakes is the place to be for everyone whether you golf, or just like to enjoy some brews and live music on the patio. Make Meadow Lakes your go-to! Don't forget about our Football Saturday's! Come catch your favorite games while we serve you! We will continue to have .50¢ Wings and \$2 Drafts every Saturday throughout football season!
