

NEWS

Let's talk about it- COURSE NEWS

Welcome to fall y'all! We are so excited for the seasons change, and for some cooler days for your golf game! We have so many new things that we're excited for coming up at Meadow Lakes! Be sure to check out our *Stay In The Know* section for everything upcoming. You don't want to be left out! Aside from all of our upcoming tournaments and our Boos & Brews Halloween Party that's just around the bend, we are just as excited about some other things that you won't want to miss out on! Check them out!

Our Golf Academy is almost complete! Don't forget to drop by the clubhouse and purchase your raffle ticket for your chance to be on of the 1st to try it out! Along with our Golf Academy, we also now have the equipment for club fittings. If you're interested in a fitting, please reach out to the Pro Shop and Tanner or Allen will be happy to help!

We are still working diligently on the construction for our up & coming, Target Golf! We plan to have the 1st prototype to try out sometime this month! Why drive all the way to Top Golf when you can play at Meadow Lakes? Be on the lookout on Facebook for our official launch date coming soon!

LETTER

OCTOBER 1, 2018

VOLUME 22

Have you Heard?-
