Now that February has passed, everyone here at Meadow Lakes is hopeful for an early spring! With the rainy weather we have experienced, I would like to thank those of you who have obeyed the cart path only rule. Those of you who like to sneak out in certain areas that you think are dry, please remember that others are watching you and feel that they can do it too. Onlookers may not be as cautious to make sure the area is dry. This is why we had to enforce this rule. I promise that when the course is dry enough, we will use the 90 degree rule. Also Please help us keep our parking lot safe! As traffic increases, we will be enforcing our "No carts in the parking" policy. Our parking lot is very tight at best, adding any number of carts makes for a dangerous situation. The golf course insurance carrier has asked that we mitigate this hazard. Thank you so much for helping out!

I am pleased to announce and welcome Heath Hammond to Meadow Lakes staff as our new course Superintendent. Heath is from St Andrew Golf Club in Winston, GA. Heath has 23 years of experience as a Superintendent and specializes in the growth and management of Bent Grass greens. Heath has a reputation of good greens and a well manicured course and we are happy to have him aboard!

The staff here at Meadow Lakes worked exceptionally hard on the new restrooms located between hole 6 & 7, and we hope that you are all enjoying having an extra spot on the course! All that we ask is if you see that the restroom is in need of attention, please contact the Clubhouse at 770-748-4942 and let us know so that we may service it. All of the restroom codes are as follows: **1383#**.

Guess what? It's **March Membership Madness!** This means all during the month of March we will be offering Golf Memberships with **NO INITIATION FEE!**\* This will apply for any new member joining or any previous member who has fulfilled their contract and left in good standing.

On March 11th daylight savings time will take effect. With this, the hours of the golf shop will be from 7:30am-6:30pm each day. The Sand Wedge Bar & Grill hours of operation will change slightly. We will be open our usual schedule on Thursday-Saturday from 11am-9pm. We will additionally open Sunday-Wednesday from 11am-3pm with the following limited menu: Our new soup & salad bar. Ham & cheese, turkey & cheese, club, pimento cheese, and chicken salad sandwiches. We will also have wings, chicken tenders, The Big Dog, and the All American Burger. Your side options for our limited menu will be: fries, macaroni bites, onion rings, and cheese sticks. Thank you all for your support of our Bar and Grill. We love having you and are happy to serve you!

Attention All Ladies! If you play golf, no matter what level the Meadow Lakes Ladies League invite you to join the team. Matches are played each Wednesday beginning April 7 through October at 9:30 a.m. For more information contact [caroldpilgrim@gmail.com](mailto:caroldpilgrim@gmail.com) or call the Meadow Lakes clubhouse at 770-748-4942. Come check us out and join the fun!
