

The Meadows

Volume 21

From the desk of the GM

Welcome to fall! We are all very excited to be entering into a new, and cooler season. While the August rains have slowed play on the course this past month, the dedication of our team has not wavered! Meadow Lakes Golf Club is growing, and is excited to continue to grow! Check out Membership Rewards Program to see how you can help and how it can benefit you as a member!

Members, you are very important to us! We would like to show our appreciation to you in multiple ways. We are starting the project of building a Member Photo Directory to use for special occasions such as; birthdays, anniversaries, contest/tournament winners and so on. We would like to take a photo of you and any family member that you have listed on your membership plan. We do not want to be a burden with this, so we will be providing a 10% off coupon to be used for apparel or food in the Bad Birdie Beer Bar for all who take part in helping build our directory! Thank you in advance for your participation! -Bob Boazman

Membership Rewards!
