

Team – Arcot Senior Team

Date – 14th August 2018

Venue – Tynemouth GC

V Tynemouth GC

The Seniors Team put in a good performance in their last League Match of the season getting a 6 – 6 result away to Tynemouth.

This means we have finished the season in 9th place (out of 13) with 68 points. This is the most points we have scored in a season since our top 4 finish in 2009 when we had 70 points. The League positions were very close this year with City of Newcastle finishing overall winners with 91 points, ahead of Northumberland on 86. There were only 13 points separating the next 8 teams, only 1 point per match

Thanks to all the Senior members who supported the team this year, we had 34 volunteers who played and all were a credit to the Club

Thanks also to sponsors, Mattinsons Bedrooms & Compass Developments for their generous financial support again this year.
