**A change in our program to advance the growth of golf!** The first thing you will notice is the reduction in the price. It gets better. The first 6 sessions will have instruction available from 8 AM to 11 AM. We will emphasize basic fundamentals of grip, alignment, proper weight transfer, chipping, pitching and putting. I almost forgot, you will get a round on our "short course" for the opportunity to win prizes!! After your session, you are invited to take to the tee and put your session to the test. Our ACADEMY PLAY DAY will enroll you in an exciting national program. Heritage Links has enrolled in the YOUTH ON COURSE program. The program is a nationwide program to grow the game of golf amongst the junior golfer. Within the state of Minnesota 40 courses will be participating in the program and Heritage Links is one of them. How does it work? Make a tee time at a participating course within their designated YOC playing schedule. Show your YOC card and pay \$5, or less, to play golf. Heritage will forego the \$5 fee on ACADEMY PLAY DAY for those registered for the program.
