Deertrak Golf Club

2019

Welcome to your Deertrak Golf League.

The following document will outline notes and rules of the golf leagues.

Format: Individual based net and gross scoring. Hole Events each week may consist of the closest to the pin, longest putt, Long Drive, etc... \$5 Skin buy in every week.

Handicap: Players will have a course handicap after 3 rounds of league play

Course Rules:

- Leagues will be playing all out of bounds or lost ball as red hazards (shots will be given 1 penalty stroke and Distance).
- Any player not able to get a ball in play after 2 attempts may progress further down the hole to a playable location. (Example: Hole 2 and 17 from the tees)
- Handicaps will be established after a few weeks of play.

Scorecards: Score cards will be given out to each group with handicaps marked. Make sure you play with a partner to sign each other's cards. Score cards are required to be turned in after the round. If a score card is not turned in after the round it will **NOT** be accepted later.

Green Fees: 9 holes with cart, plus 1 drink ticket included. Cart is recommended to keep up pace of play for all groups.

Schedule: Leagues will alternate the front and back 9 each week. Special events or tournament days may have special changes.

Tee Times: League members are required to make tee times in advance. This helps us fill open groups to make foursomes and helps league members get to know their fellow league members. If a tee time is not made by a league member/group, they may have to wait for available tee times. Days with shotgun starts, please make sure to arrive 30 minutes ahead of schedule to find and load your carts and make changes in the case of no shows.

If you are unable to make it to a league night:

- You may have a sub fill in for you on your missed week. if possible, WSGA handicaps.
- You may play on another day during the week of league and turn in your score card that day (normal golf rate will apply for nonleague makeup day).
 - Please speak with Proshop as soon as possible so we can plan.
 - These players will not be permitted to play skins or hole prize competitions if playing on a day other than league day.
- If no other option, you may skip a league day. No score will be recorded for that week.

Bad Weather:

Cancellations due to bad weather will be done as quickly as possible by Deertrak Staff. If any doubt, please call the pro-shop to find out if there is a potential for a cancelation. Deertrak will notify group by phone/email as soon as possible.

If play gets canceled and all league members have not finished their round, that round will NOT count towards a league day. Rain days or bad weather conditions will be made up at a future date.

League Fee:

- Players \$5 Cash prior to teeing off each week.
 - There will be a skin or event every week paying out.
 - A portion will be put aside for end of year league party or other events and prizes.
- Tie breakers will be decided on lowest net score. If that score is still the same, the lowest net score of lowest handicapped hole will be used going back until a winner is decided.
- **If you have any questions or concerns regarding league format, rules, or regulations please speak with Deertrak Staff:**
