Tuesday-Friday 11am-Close  
Saturday 5pm-Close

### Lounge Hours

Tuesday-Saturday 11am-Close  
Sunday 12pm-6pm  
Closed Monday

## From the President

Fall has arrived to Hillcrest. The daylight is less and the temperature is dropping but golfing opportunities are still here.

Traditionally, September and October have been my two favorite golfing months. Warren and his staff have been busy aerifying, overseeding and grinding stumps. He continues to attack our Ash tree population. Being proactive in the arrival of the Emerald Ash Borer will balance out cost and work load over 5-7 years rather than having to deal with it over one season. The Ash tree population and the anticipated arrival of the borer continues to be a huge problem for the upper midwest.

**Dan Megard, President**

The Hillcrest board voted this month to upgrade our sound system. Several members have agreed to donate funds for this project. If you would like to donate also, please contact myself or Adessa. I think we all can agree that the old system was very inadequate. It is difficult to put on large events like invitational tournaments, Pro-ams, high school and college events with a subpar system. I can't wait to see how well the new system works. I want to hear all of Joe Vig's commentary during tournaments and not just part of it.

Congratulations to the ESD champion YHS boys golf team. It is the Bucks first championship since 2013. Here is your trivia question for October. The last time the Bucks won the ESD championship, they had three left handed golfers, a left hander who played right handed and only one right handed golfer who golfed right handed. Can you name them?

With that I will sign off for the month. Remember Hillcrest for your Christmas party or end of the year event. We are having a nice year but utilization is the key to ongoing financial success. If you have a coworker or friend that you think might be interested in joining, have them check into our fall membership plan.

## *From the Chef*

HELLO MEMBERS!

OUR NEW DINING MENU WILL BE COMING OUT SOON AND FEATURE MENUS WILL CHANGE WEEKLY THIS FALL AND WINTER, INSTEAD OF EVERY TWO WEEKS. ADESSA WILL BE POSTING THESE MENUS ON OUR NEW WEBSITE SO YOU CAN VIEW THEM AT ANY TIME!

IF YOU HAVE ANY SPECIAL REQUESTS, PLEASE LET ME KNOW!

## **FROM THE COURSE**

We planted plenty of grass in September and those efforts should be more obvious next year. I also sprayed a herbicide on 12 and 15 during seeding to prevent Poa from germinating and it is pretty clear that it works although the thin turf is hard to take. Thin turf is an expected outcome and time will tell if it is something we can deploy on more fairways to limit Poa.

A little warm weather will help complete some irrigation and tree work. Our sod work will be complete by the end of this month and our bentgrass green and nursery grow-ins should have progressed nicely. On the not so good days we have a bunch of things that need to get done in the shop. Golf when you can. It gets to be a long winter.
