

The Golf Club of Bristol is not only the birthplace of organized golf in Tennessee, it is one of the oldest clubs in America. The Club was originally formed in 1894 and next year, the Club will be celebrating the 125th Anniversary. Great care has been taken to restore the golf course to championship conditions and several major projects are underway. We have recently re-opened the new Bentley & Grey’s Pub in the downstairs clubhouse. Among the planned clubhouse renovations are the creation of multiple new dining experiences including outdoor dining, bar and lounge areas that take advantage of the panoramic views of the golf course.

As we prepare to celebrate this commemorative year, KOVA Golf Management is launching an exciting program for the first 125 Members. Beginning October 1, 2018, our new 125th Anniversary Legacy Golf Annual Membership will be offered at \$1,500. In addition, we will offer non-resident memberships¹ for \$1,150 and Junior Memberships (34 and under) for \$999. **All 125th Anniversary Legacy Golf Memberships must be prepaid.
